

Patent and Trademark Resource Center Association

Executive Committee Resolution
Recognizing

Mr. Doug Salser

Whereas, Doug served the U. S. Patent & Trademark Office for 41 years,

Whereas, Doug has been a patent examiner, patent classifier, and Acting Manager of the Public Search Facility,

Whereas, Doug worked on the team that developed the BRS search engine for both PubWEST and PubEAST and undertook many special projects related to patent search systems and automated access,

Whereas, Doug's long support of PTRCP training dates back to his popular classification training sessions at the Patent Depository Library Program Annual Training Conferences in the early 1980s,

Whereas, Doug has made frequent trips for many years to train staff and public users at PTRCs nationwide,

Whereas, Doug was President of the Patent Documentation Society, which hosted a Potomac River boat cruise during PTDLP Conference XV in 1992,

Whereas, Doug worked in the PTRC Program Office during staff shortages in 2007-2008, serving as a team member for public programs, answering reference questions, and juggling multiple tasks for the Annual Training Seminar,

Be it resolved that the Patent and Trademark Resource Center Association recognizes and honors Mr. Doug Salser for his leadership and commitment to making patent and trademark information available to the public, and for the many contributions that he has made to both the Patent and Trademark Resource Center Program and the United States Patent and Trademark Office.

Signed,
PTDLA Executive Committee
