

Membership Information

The Patent and Trademark Resource Center Association (formerly PTDLA) was established in 1983 for those employees of Patent & Trademark Depository Libraries (PTDLs – now PTRCs) who work with patent and trademark depository collections. PTRCA’s objectives are “to discover

the interests, needs, opinions, and goals of the PTRCs, to advise the U.S. Patent and Trademark Office (USPTO) in these matters for the benefit of PTRCs and their users, and to assist the USPTO in planning and implementing appropriate services.”

Regular PTRCA membership is open to any interested person employed at a Patent & Trademark Resource Center, , retired PTRC staff, former PTRC Representatives, librarians and staff at libraries who respond to questions from their clientele regarding patent and trademark information, and current and former USPTO staff. Any member who is employed at a PTRC shall have the right to hold any Association elective office or appointive position. All regular members can vote on PTRCA business.

Student membership is open to any student enrolled in library, information science, or iSchool programs, who are interested in intellectual property.

Membership dues are \$65 per year, or \$10 per year for students and retired regular members. Membership in PTRCA does not imply an invitation to attend the PTRCP Annual Training Seminar. Membership dues pay for certain Seminar expenses, publication of the PTRCA Newsletter, maintenance and upgrades to the PTRCA.ORG website, gifts, stationery, and other operating budget needs. Membership aligns to the calendar year with renewal payments due in January. Only individual memberships are permitted; there is no provision for institutional or group membership.

If you have questions regarding your membership status, please direct them to Jim Miller, PTRCA Treasurer. Jim’s telephone number is (301) 405-9152 and his email address is jmiller2@umd.edu.
